SCHOOL SQUAD REGISTRATION

All-Star Revolution offers a variety of instruction options for schools. This instruction is customizable and can be used to improve tumbling, stunts, jumps, motion technique, dance and/or provide choreography for pep rally routines and competition teams. We also help athletes with conditioning and flexibility to increase overall athleticism. Sponsors may request instruction on additional areas of cheer or focus on specific areas based on the team's needs. All squads receive elite coaching in a safe, positive learning environment.

To register your school for instruction the sponsor must:

1. Turn in completed Sponsor Form
 2. Turn in 2023-2024 squad roster(s).
 3. Make sure all families and athletes are familiar with and agree to All-Star Revolution policies.
 4. Ensure that all families have updated/created their All-Star Revolution portal accounts.
 5. Ensure that all families have registered their athlete.
- *Schools cannot schedule or participate in practices without having completed the above steps.*

Upon completion, we will contact the sponsor to schedule school squad instruction.

BILLING PROCEDURES

School squads training at the ASR facility have two options for billing method: individual or group. All school squad accounts must choose one method or the other – we cannot switch billing back and forth and we cannot do a combination of the two. For any billing questions, please contact office@all-starrevolution.com.

Individual Billing:

If each athlete will be bringing in payment on his/her own, this is the method you will need to use for your ASR account. Using this method, we will be able to better track attendance and collect fees. We will invoice parents directly and automatically charge and draft monthly tuition fees. Regular email statements will be sent to remind parents of upcoming fees. Athletes will be required to have a valid credit card on file. This credit card will ONLY be charged if another form of payment is not received by the 5th of the month. It is the parent's responsibility to keep all credit card information up to date such as expiration date, billing address, etc. Athletes who prefer not to submit a valid credit card authorization form must pay for the entire season up front.

INDIVIDUAL BILLING IS NOT AN OPTION FOR OFF-SITE TRAINING.

- Fees will post to each athlete's ASR account on the 1st of the month in which it is due
- A statement will be emailed to each family on the squad(s).
- All balances will be charged to the card on file on the 6th of each month.
- If you prefer NOT to charge the card on file, you must bring in cash or check by the 5th of the month or sooner should the gym be closed on the 5th.
- *Checks payable to All-Star Revolution*
- All accounts are required to have a valid credit card on file at all times (even if paying by cash or check monthly), unless the entire year is paid in full up front.
- Athletes with any balance (ASR all-star balance if applicable) will not be allowed to participate with ASR (at our facility and/or off-site) until ALL fees are paid in full.

Group Billing:

If all school squad fees will be paid with a booster club or school district check, this is the method to use for your ASR account. This way each athlete would NOT be bringing in any individual payments. For this method, we still need registration forms on all athletes, but credit card forms are optional. We will not be able to keep track of which athletes paid since it will be charged to your school's account as one lump sum based on your roster(s). It is the sponsor's responsibility to submit current rosters on a monthly basis to ensure accurate charges. We will invoice the school/sponsor directly for collection of all fees. If a specific type of invoice and/or purchase order is required from ASR, please let us know upon registration to prevent delays in payment. Please also specify billing email address if different from sponsor email.

- Fees will post to your school's ASR account on the 1st of the month in which it's due and statements will be emailed to the sponsor.
- A school or booster club check should be submitted by the 6th of each month or paid up front.
- *Checks payable to All-Star Revolution*
- *ASR reserves the right to refuse service to a family with a previous balance.*

REGULAR INSTRUCTION FEES

Registration:

All school squad athletes who train with ASR will be required to pay the \$55 All-Star Revolution registration fee. No participants will be allowed to practice without having paid this fee **each new season**. Returning members are required to pay this fee every May upon registration renewal. This fee is good for one cheer season, which goes from May 2023-April 2024. All athletes who participate in teams, tumbling, privates, camps, school squads, etc. pay this fee annually every May or upon registration. This fee is only due once per athlete per season, so athletes who have paid the 2023-2024 registration fee to participate in private lessons or tumbling or with a competitive team, do not need to repay to participate with the school squad.

Monthly Tuition:

Tuition fees include weekly instruction on cheer, tumbling, stunts, jumps, motion technique, dance and/or choreography for up to one pep rally/talent show routine per month taught only during scheduled class time. Tuition fees will not be prorated for absences, so even if an athlete misses 2 practices in a month, the full price for the month is still owed. All tuition fees are non-refundable.

Tuition Fees per Athlete per Month			
Location	1 practice weekly	2 practices weekly	3 practices weekly
ASR Facility	\$85	\$120	\$175
Off-Site (pending availability)	\$85	\$120	\$175

Extra Practices:

Sponsors can add additional practices only by contacting edgar@all-starrevolution.com at least two weeks in advance and will be subject to additional charges (to be determined upon scheduling). **Extra practices cannot be scheduled with any other instructor – only Edgar can make adjustments to your school squad practice schedule.**

SCHEDULING PROCEDURES

- ★ All scheduling and communication should be directed to Edgar Ruiz at edgar@all-starrevolution.com. Instructors cannot be responsible for relaying messages or cancelling/adding practices.
