REVOLUTION**

## SCHOOL SQUAD REGISTRATION

All-Star Revolution offers a variety of instruction options for schools. This instruction is customizable and can be used to improve tumbling, stunts, jumps, motion technique, dance and/or provide choreography for pep rally routines and competition teams. We also help athletes with conditioning and flexibility to increase overall athleticism. Sponsors may request instruction on additional areas of cheer or focus on specific areas based on the team's needs. All squads receive elite coaching in a safe, positive learning environment.

To register your school for instruction the sponsor must:

1. Turn in completed Sponsor Form
2. Turn in 2024-2025 squad roster(s).
3. Make sure all families and athletes are familiar with and agree to All-Star Revolution policies.
4. Ensure that all families have updated/created their All-Star Revolution portal accounts and paid their registration fees directly to ASR.
5. Ensure that all families have registered their athlete in the correct school's class.

*\*Schools cannot schedule or participate in practices without having completed the above steps.*

**Upon completion, we will contact the sponsor to schedule school squad instruction. Please note that the time/day/instructor you are wanting may not be available and instructors are subject to change.**

## BILLING PROCEDURES

**New this year!** All schools training at ASR or receiving any instruction from an ASR instructor at their school/camp/competition event must collect all fees themselves ahead of time and pay via booster/school district before services are scheduled/provided.

It is the sponsor's responsibility to submit current rosters on a monthly basis to ensure accurate charges. We will invoice the school/sponsor directly for collection of all fees. If a specific type of invoice and/or purchase order is required from ASR, please let us know upon registration to prevent delays in payment. Please also specify billing email address if different from sponsor email.

- **ALL 2024-2025 Fees will post to your school's ASR account at registration.**
- **A school or booster club check should be submitted by the 6th of each month the fee is stated to be due or paid upfront.**
- **Checks payable to All-Star Revolution**
- **ASR reserves the right to refuse service to a family with a previous balance. This means that they will not be allowed on the premises nor will our instructors be allowed to work with them.**

## REGULAR INSTRUCTION FEES

### Registration:

All school squad athletes who train with ASR will be required to pay the \$55 All-Star Revolution ANNUAL registration fee. No participants will be allowed to practice without having paid this fee **each season**. Yes, returning members are required to pay this fee every year. All athletes who participate in teams, tumbling, privates, camps, school squads, etc. pay this fee at registration. This fee is only due once per athlete per season, so athletes who have paid the 2024-2025 registration fee to participate in private lessons or tumbling or with a competitive team, do not need to repay to participate with the school squad.

### Monthly Tuition:

Tuition fees include weekly instruction on cheer, tumbling, stunts, jumps, motion technique, dance and/or choreography for up to one pep rally routine taught only during scheduled class time. Tuition fees will not be prorated for absences, so even if an athlete misses 2 practices in a month, the full price for the month is still owed. All tuition fees are non-refundable. Should a family dispute a tuition fee they will no longer be allowed to train at ASR.

***\*PLEASE NOTE: Monthly squad training has a minimum of 10 athletes for eligibility.***
