REVOLUTION**

We understand that not everyone wants the time commitment or the financial responsibility that comes with competitive cheerleading, but we think every athlete should have the opportunity to cheer if desired. Our rec classes are designed to help EVERYONE receive proper cheer training. If you're not sure whether or not cheerleading is a good fit for your athlete, come try it out! These options provide a flexible way to learn and/or improve skills while getting introduced to the world of cheerleading.
